

T. DEON HARMON

CHIEF GROWTH OFFICER

Deon Harmon is a partner and Chief Growth Officer at Davis Davis & Harmon LLC. As the “voice of the customer,” Deon is responsible for sales management, strategic partnerships, distribution channel management, and customer service.

Mr. Harmon has 23 years’ extensive experience in sales tax system implementation, reverse sales and use tax audits (refund recovery), tax research and planning, audit defense and preparation of state sales and use, federal and state income and franchise tax returns.

He also has experience in the industry including two years at the Texas State Comptroller’s Office, Jefferson Wells and Big 4 sales tax consulting experience.

His proficient technical skills combined with his excellent communication and negotiation skills allow Mr. Harmon to successfully undertake and complete a wide variety of engagements.
